The Guildford College Group

Guildford College Group was founded over 70 years and since that time has grown to be one of the leading providers of further and higher education in the south of England. There are now three Colleges offering training and education as part of the Guildford College Group - Guildford College, Merrist Wood College and Farnham Sixth Form College.

Each College is located in beautiful surroundings in the Surrey countryside, considered to be one of the safest places in the country to live and study and yet still close to London.

Our British Council Accredited English language school is located at Guildford College, but we have international students studying at all three Colleges depending on their chosen course.

We are committed to ensuring that the whole experience of living and studying in the UK is a pleasurable, as well as a successful one.

We want you to Live! Learn! Laugh! at the Guildford College Group, study hard and enjoy meeting new friends from all over the world and take the time to explore. We offer quality education at competitive prices, so for a combination of great student support and value for money the Guildford College Group is hard to beat! Come and join us now!
